

A stylized, colorful illustration of a landscape. The foreground features rolling green hills with dark brown soil. On the left, there is a green tree, a purple flower, and an orange flower. A small red bird is flying in the sky above the tree. The background consists of light blue and white wavy bands representing the sky.

Tips for success in 6th grade

1. Charge Chromebooks at home - make sure outlets have power so Chromebooks can charge overnight (outlet should not be connected to on/off switch)
2. Bring chargers to school everyday - Chromebooks might run out of power by 7th period and we don't have extra chargers.
3. Planners - you should use the district planner in every class
4. Students can find missing assignments in IC and Google Classroom.
5. Email is the quickest way to connect with 6th grade teachers. We try to reply within 24 hours.
6. Phones **MUST** be kept in lockers.

Core Classes

English Language Arts – Reading and writing, we explore novels, daily journals, and practice public speaking.

Math – Begin utilizing previously learned math skills in new, exciting, and more abstract ways. We learn about proportional relationships and how to model them with expressions and equations.

Science – Ecosystems, waves and Earth's processes (volcanoes & earthquakes!). We do a lot of labs so you can DO science!

Social Studies – Focus is on world cultures, world history and world religions . We read stories from other cultures, and look at art and architecture. There are group projects, notes and vocabulary counts!

General Information

- Reminder – school physical is required
- Homework policy – daily homework in various classes
- NO gum!
- Phones in lockers all day.
- Infinite Campus is the best place to check for grades. We can show you how!
- Don't bring binders! Lockers are too small, and they are not needed.

Words of Encouragement

- It's okay to ask for help! Please do!
- Organization helps!
- Treat yourselves and each other with respect. 6th grade is a team that works together.
