Dear FRMA families,

The final month of school is an important opportunity for students to establish positive attendance habits which, in turn, engage them in learning, build routines to reduce stress, and connect to their friends and teachers. If your child is having specific difficulties attending school, I strongly encourage you to contact me (630-299-7175) or our Parent Liaison, Leslie Hernandez (630-299-7177) so we can partner on supports for assistance.

Please be aware of these important announcements for the Fred Rodgers Magnet Academy school community:
