FRMA TRAFFIC PROCEDURES FOR DROP OFF AND PICK UP

Please follow these procedures to ensure a safe and orderly transportation of students to and from school.

BEFORE SCHOOL DROP OFF 7:00-7:15 A.M.

- All students must be dropped off at door #9 on College Avenue in the proximity of the crosswalk. Regardless of which direction cars are coming from, students should exit the vehicle on the curbside only and not be let out in the middle of the street.
- Students should not be dropped along Root Street.
- To help traffic flow, please pull forward as far as possible when dropping off to prevent traffic from backing up onto Root Street. It is safer to wait for spaces to open to move forward than to attempt to have students exit the car on the corner.

BEFORE SCHOOL DROP OFF 7:15-7:30 A.M.

- After 7:15 a.m., families may also use the circle drive in front of the school to drop off students after bus drop off has completed. However, students will need to walk around to door #9 for entry.

STUDENTS ARRIVING AFTER 7:30 A.M.

- Students arriving at school after 7:30 .a.m. Should use door #1 (the main entrance). Parents or guardians dropping students off after the start of school need to accompany the student inside to the main office to sign in.

AFTER SCHOOL PICK UP 2:30-2:40 P.M.

- Please be considerate of the homes neighboring our school if you arrive early to pick up your student by avoiding parking directly in front of driveways.
- Reserved handicapped spots should be left open for vehicles with designated license plates or placards.

AFTER SCHOOL PICK UP 2:40-3:00 P.M.

- Once buses leave, any remaining students waiting for rides will be picked up at door #1 (the main entrance)

AFTER SCHOOL ACTIVITIES PICK UP AFTER 3:00 P.M.

- Please meet your student at door #9 on College Avenue.

Thanks for your support of our operations. Have a great weekend,
